

You are invited to participate in the Illinois College Automotive Instructor's Association (ICAIA) Conference Trade Show. Showcase your newest products & innovations to over 100 automotive/collision instructors.

ICAIA is an organization of both secondary and post-secondary automotive instructors from Illinois, Missouri and surrounding states. Part of ICAIA's mission is to provide comprehensive automotive training for its membership on a semi-annual basis through a two-day conference in addition to an industry trade show.

Each ICAIA Conference begins with a half day trade show. The event showcases new products and services that are available to the automotive industry, training programs and future technicians.

Your company is encouraged to sponsor a student scholarship (\$500), a breakfast (\$800) or snack (\$250). Partial sponsorships are welcome. Sponsors are formally recognized at different times throughout the conference.

Date: Thursday March 29th, 2018
