

You are invited to participate in the Illinois College Automotive Instructor's Association (ICAIA) Conference Trade Show. Showcase your newest products & innovations to over 100 automotive/collision instructors.

ICAIA is an organization of both secondary and post-secondary automotive instructors from Illinois, Missouri and surrounding states. Part of ICAIA's mission is to provide comprehensive automotive training for its membership on a semi-annual basis through two-day conferences in addition to an **industry trade show**.

Each ICAIA Conference begins with a half day trade show. The trade show showcases new products and services that are available to the automotive industry, training programs and future technicians.

Your company can sponsor a student scholarship (\$500), a seminar refreshment break or lunch (\$250). Sponsors are formally recognized at different times throughout the conference.
