

Automotive Technology Instructor

Highland Community College is seeking a full-time tenure-track Automotive Technology instructor beginning in the Fall 2018 semester. This position will teach up to 15 contact hours each week (fall & spring sections) and fulfill other duties included in a full-time faculty position. The successful candidate must be qualified to teach first and second year college level automotive program. Bachelor's degree in a related field is required or equivalent field experience. Master's degree is preferred. Must be available for the Fall 2018 semester.

Application is not complete until the following materials are submitted: cover letter, resume/CV, copies of undergraduate and graduate transcripts (unofficial copies are acceptable for the purpose of application), three current professional letters of recommendation, and a statement of teaching philosophy. Review of applications will begin January 29, 2018, and continued until position is filled.
