From the Driver's Seat

I hope that everyone has made it through the blizzard of 2011 safe and sound. Many of us spent the better part of the week digging out of several inches of snow and unimaginable drifts. What better way to warm up and recharge our batteries than another great ICAIA conference. The Spring 2011 conference will be held at Lewis and Clark Community College in Godfrey, Illinois on March 17th and 18th.

I look forward to seeing the familiar faces and many new ones as well. It's been a rewarding learning experience working my way through the ranks of our great organization. I just recently completed my NATEF certification which would not have been possible without the assistance and support of many longtime members. Many of you have pushed me and my program to the next level. I encourage anyone that may be presented the opportunity to serve this wonderful organization.

I look forward to seeing everyone at Lewis and Clark in March!

Sincerely,

*Steve Elza

ICAIA Treasurer's Report

The ICAIA Treasury is at \$31,469.13 going into the Spring 2011 ICAIA Conference. The detailed treasury report will be presented during the Thursday Business Meeting.

ICAIA will no longer be issuing paper membership cards. When you pay your membership dues you will receive an e-mail from me (Art Koudelka - ICAIA Executive Treasurer) with your membership length (1, 3 or 5 years). Members can see their dues status on the conference registration form they receive in the mail for each conference. Their dues status is listed at the end of their name (G2010-2011 as an example). ICAIA Membership follows the school year and dues are paid in the Fall. So, this year's ICAIA dues pay for the 2010-2011 school year.

ICAIA Database Report

Currently, there are 256 ICAIA dues paying and retired members. Current members let me know if you plan on retiring, so I can change your dues status in the database. A new copy of the updated database will be passed out at the Fall 2011 conference.

If you need to know your "Dues Status", send me an email and I can let you know. Paying for 3 or 5 year dues when you update your registration would save a lot of work behind the scenes. If you have any questions, comments, concerns, or corrections, please contact me at:

Interested in becoming an ICAIA Conference host?

Just ask a member of the ICAIA Board and we'll get you all of the details to get started.

ICAIA is there to handle the registration process and assist the host school in putting together a rewarding ICAIA Conference. The Host School receives the benefit of developing linkages with local vendors, suppliers, and trainers. In addition the Host School receives a student scholarship(s) and the opportunity for school/community recognition.

Thank You Waubonsee Community College!

The 70th semi-annual ICAIA Conference was hosted at Waubonsee Community College in Sugar Grove, Illinois. The October 7th and 8th conference was well attended by both automotive mechanical and collision repair instructors. During the two day conference, ICAIA members gathered the latest industry information, learned about new technical advances, and developed important networking contacts. The large vendor tradeshow and seminar presentations represented both automotive mechanical and collision repair areas of the industry.

The Thursday evening ICAIA Banquet was well attended where ICAIA awarded student scholarships to Kestutis Peciulis and Esteban Miranda for their hard work both in and out of the classroom.

***ICAIA would like to thank everyone at
Waubonsee Community College for hosting a great conference!***

Larry Turay - Keynote Speaker at the 71th ICAIA Conference Lewis and Clark Community College

Larry Turay, owner of LETCO Enterprises will be speaking about the uphill battles we fight as technical teachers. Mr. Turay has a vast automotive/truck training background and has been active in numerous training initiatives both nationally and internationally. His insight on how we as a group of instructors can work to get through the hardships we face will be very important to hear. The ICAIA keynote address is part of the Thursday evening ICAIA Banquet.
