From the Driver's Seat

The weather is about to change. Are you keeping up with the changes occurring in our industry and profession?

The faculty and staff at Lewis and Clark Community College have put together an outstanding schedule of presenters and vendors.

By attending ICAIA you get the opportunity to learn about exciting advancements happening in our industry; as well as see what new tools, equipment, and learning support materials are available. Best of all, you get to network with others, share ideas, and meet new people.

Each year there are many new instructors joining our profession. ICAIA encourages everyone to invite any new automotive, truck, diesel, and collision repair instructors to attend an upcoming conference. Think of when you first started teaching and what a great benefit attending conferences such as ICAIA has been to your career. Take the time to reach out and introduce yourself to all of our new members. Share with them your passion. By doing this, we can support one another and help sustain our profession and programs.

See everyone at ICAIA
in Godfrey!

Attend ICAIA and:

- See new things!
- Share ideas!
- Learn a lot!
- Make new friends!
- Have a great time!

Treasury Report

The Association is financially sound and the detailed treasury report will be presented during the Thursday Luncheon Business Meeting. Currently, the ICAIA Treasury is at \$37,118.68 with expenses for the upcoming conference yet to be paid.

When you pay your membership dues, you will receive an e-mail from me (Art Koudelka - ICAIA Executive Treasurer) with your membership length (1, 3 or 5 years). Members can see their dues status on the conference registration form they receive in the mail for each conference. Their dues status is listed at the end of their name (G2013-2018 as an example). ICAIA Membership follows the school year and dues are paid in the Fall. So, this year's ICAIA dues pay for the 2018-2019 school year.
