

**Southern Illinois University Carbondale
Automotive Technology**

POSITION ANNOUNCEMENT

The College of Applied Sciences and Arts at Southern Illinois University Carbondale is seeking qualified applicants for an Assistant Professor position within the College's Baccalaureate Automotive Technology program. The position requires teaching undergraduate automotive industry technical and related courses. The position is a 9-month, continuing, tenure track appointment that begins August 16, 2018.

Required Qualifications: Earned Master's degree in automotive, engineering, computer science, business, education, or a closely related field at time of appointment. Evidence to ability for conducting high quality teaching and ongoing future research in one of the following areas: autonomous vehicle technology, electric vehicle propulsion systems, connected vehicle technology, vehicle system predictive analysis, or closely related field.

Preferred Qualifications: Identified research/publication agenda in autonomous vehicle technology, electric vehicle propulsion systems, connected vehicle technology, or vehicle system predictive analysis. Experience in the automotive or related ground transportation industry. Teaching competency in a variety of automotive/ground transportation subjects.

Application Deadline: Review of applicants will begin June 11, 2018, and will continue until suitable applicant is determined.

To Apply: Send letter of interest, current vitae/resume, and complete contact information for three professional references to:
