Job Description

Position Title: High School Auto Mechanics Teacher
Reports to: Building Principal
FLSA: Exempt
Supervises: Teacher Aides and Paraprofessionals as assigned
Modified Date:

Position Summary:

Under the supervision of the Building Principal, the Auto Mechanics Teacher will teach and instruct high school students through class demonstrations, lecture, audio visual aids and hands-on training. The Auto Mechanics teacher will provide instruction in the basic techniques of the automotive industry; including current technology; prepare students for immediate entry into the automotive industry or to continue studies at postsecondary institutions; plan, develop, organize and conduct a comprehensive automotive program for secondary students. This teacher serves as a mentor who inspire curiosity, instill technical expertise, and foster a passion for automotive innovation in their students by equipping future mechanics with the knowledge and skills necessary to excel in the field.

Essential Functions:

Essential functions are the core tasks and responsibilities that define a job and are necessary to be successful in this position.
