

AUTOMOTIVE TECHNOLOGY FACULTY, PART-TIME TRUMAN COLLEGE

Truman College is currently seeking a part-time faculty to teach Automotive Technology during the Spring 2018 semester. If you have passion for teaching and learning, and are committed to the mission of the community college, consider joining our team. The ideal candidate will have demonstrated success in the classroom by developing and using effective teaching strategies that meet students' diverse needs and engage the student in critical thinking and problem-solving.

PRIMARY RESPONSIBILITIES:

- You must demonstrate excellence in teaching, commitment to integrating new technologies in the learning process and the ability to inspire, motivate and empower students to succeed.
- Maintain office hours for advising, mentoring and coaching students.
- Development and revision of courses and instructional materials as necessary.
- Post syllabi and grades on Blackboard.

QUALIFICATIONS:

- Bachelor's degree and current certification from the National Institute for Automotive Service Excellence (ASE).
- Current ASE certifications in A6, G1 and certificate in teaching area, preferably A1, A2, A3, A4 or A5. Applicant should also consider obtaining ASE Master Certification status in the future for the option of teaching more classes.
- Five (5) years minimum automotive service experience.
- Exceptional communication skills.
- Demonstrate working knowledge of modern automobiles, current testing equipment and diagnostic strategies.
- Proficient in Microsoft Office Suite.

To Apply:

- Visit the City Colleges of Chicago website and apply online at www.ccc.edu
- Cover letter
- Resume or curriculum vitae

Note: Unofficial transcripts, a statement of your teaching philosophy and professional letters of recommendation are required at the time of interview. Official transcripts must be provided if hired.

**We are an equal opportunity and affirmative action employer.
Thank you for your interest in City Colleges!**
