

## Interested in access to approximately 200 automotive technology, collision, and heavy duty educators and their respective programs?

### Vendor Registration Form

You are invited to participate in the Spring 2019 Illinois College Automotive Instructor’s Association (ICAIA) Conference Trade Show. Showcase your newest products and services to those developing tomorrow’s shop owners and technicians.

ICAIA is an organization of both secondary and post-secondary automotive instructors from not only Illinois, but several of the surrounding states. Part of ICAIA’s mission is to provide comprehensive automotive training for its membership on a semi-annual basis through two-day conferences in addition to an industry trade show. Each ICAIA Conference begins with a half-day trade show. The event showcases new products and services that are available to the automotive industry, training programs, and future technicians.

Your company can also gain additional visibility by sponsoring a breakfast (\$800), a student scholarship (\$500), or a seminar refreshment break (\$250). Sponsors are formally recognized at different times throughout the conference.
